# ACKNOWLEDGMENT

At the outset, I thank God Almighty for making endeavor a success.

We express our sincere thanks to **Mrs. TINTU MATHEW**, principal of Baslios Poulse Second College, Piramadam, for provided me with an opportunity to carryout work

We express my sincere thanks to my internal guide **Ms. ALANA Shaji**, who guide me properly from the beginning to the end of my project.

With immense pleasure I take this opportunity to record out sincere thanks to my Guide and Head of the Department **Mrs. SOUMYA K.M**, Associate Professor, Department of Computer Applications in examining the draft of this project and suggestions and modifications.

We express our sincere thanks to our guide, **Mr. Elias** staff of Signature, for giving valuable information about our project.

Last but not the least, I also express my gratitude to all other members of the faculty, family members ,my dear friends and well wishers who assisted me in various occasions during the project

**BLESSON MS GEORGE (210021087156)**

**DANI ELDHO (210021087158)**

## **ABSTRACT**

The Web application entitled “Khadi” is an e-commerce website, aiming to promote and facilitate the online buying and selling of products made from Khadi fabric

The system consists of three users :Admin,User,Shop,Tailor. The admin has the sole control on the system. The admin can verify and edit the information provided by user and tailor. The admin verifies all users of the system. users who can simply register with basic details and login to website , tailors can add a stitched product image to the website. user can add product to cart, select size, buy the product and review the product

Online shopping is a great move towards digitalization. Everyone can buy or sell the things in an easier way. Online shopping plays a crucial role in every individual's life who go for it. There are many companies or e-commerce websites who sell their products online. It is very good to move towards technicalities in terms of business or other related stuff. Online shopping is an incredible platform to showcase your enthusiasm and skills in a proficient way.
